
For vengeance - would you trust a vampire? For justice - could you betray your family? For love - are you ready to question everything you believe in? Gifted with the ability to read the shadows of 'third species' beings, Caitlin Parish is the Vampire Control Unit's most powerful agent. Despite that, her mission to hunt down Kane Malloy - a master vampire - comes with a death wish. Many have tried, but few have survived. For Caitlin, tracking Kane is about more than just professional reputation. With her parents both mysteriously killed 7 years apart to the day, Caitlin knows that without Kane's help she is next. She has four days to make a deal with the wicked, the irresistible, the treacherous Kane Malloy. The vampire who despises everything she stands for. Or die. Blood Shadows is book one in the Blackthorn series, brought to you by Lindsay J. Pryor - a British Paranormal Romance author who writes dark, intense and passionate stories. Lindsay's trademark powerful vampire heroes and utterly combustible sensual romances have earned Lindsay comparisons with both J.R Ward and Sherrilyn Kenyon. Praise for Lindsay: "An intoxicating blend of danger and sensuality - Lindsay J. Pryor easily earns a place alongside Paranormal Romance's best writers!" Michele Hauf "An incredible voice for paranormal." Rhyannon Byrd
